PRESIDENT'S MESSAGE *by Dana Knight, P.E.*

It is hard to believe how quickly the summer is coming to an end! I hope you each had some time to take a break from work and relax with your families and friends. I just returned from Cape Cod and feel relaxed and rejuvenated!

I would like to thank Jack Moeller, P.E. for an outstanding year as President of ACEC/Maryland. Jack set up measurable goals at the beginning of his presidency which kept everyone on the executive committee focused. Many of the goals were met, and I plan to revisit the ones that were not to see if we can get them accomplished this year. Jack is a person who tells it like it is, which is helpful in getting ideas though to

both clients and elected officials. It also kept meetings entertaining!!

Jack spent the year attending and working with all the great ACEC/MD committees and subcommittees that support our business interests. He did all this while continuing in his day job as President of JMT. Jack concluded his term as President presiding over the recent successful conference held in the Big Easy, New Orleans, Louisiana. If you have not attended an ACEC/MD Conference you should try to attend one in the future. It is a great time to network, learn a few things at the technical sessions and most of all relax and have a great time!

I would also like to thank Beverly Pannee from RJM Engineering who did great work in her three-year Director's role. In particular she represented the small business interests on the Executive Committee. We will miss you Beverly!

It will be a pleasure to serve as President of ACEC/MD in the next year. There have been many leaders in the industry that have served in this role, and I will do my part to make this a successful year. Our new committee chairs have all been selected and are getting ready to serve you as members. I look forward to working with our new Directors Tony Frascarella, P.E. from Century Engineering and Sean McCone, P.E. from JMT.

We will be meeting in the next month to develop our goals for the coming year. These will include continuing to try to pass legislation exempting the liquidated damages on professional service contracts and membership goals. I will report on those goals in the next newsletter.

contact:
Jim Otradovec
Executive Director
AMERICAN COUNCIL OF
ENGINEERING COMPANIES,
MARYLAND

FAX: 410-685-5470

PRESIDENT'S MESSAGE *(continued)*

The economy continues to get better! I see firms getting busier and busier in part due to Maryland's transportation funding increase kicking in and the state's professional services contracts finally making it through the procurement system that was stalled due to the audit situation a few years ago. There is also lots of state and local funding for the Chesapeake Bay clean up, and an increase in energy project funding. Our private sector members are getting busier as the economy continues to get stronger. This may be a good time for us to ask some of our clients to revisit some of the contract policies that we have been afraid to talk about when the economy was bad. Some of these may be certain contract language provisions, and raising salary and overhead caps.

With the passing of the highway trust fund patch, we avoided the dreaded cut off of federal funds for transportation. The bad news is that there still is no long term funding certainty. We need to continue to talk and write to our elected officials about the importance of passing a long term bill that will provide the certainty our clients need to plan for long term solutions.

I look forward to speaking to all of you at upcoming meetings. Feel free to call me anytime to discuss issues you are having. I am grateful for everyone who has volunteered as committee members, committee chairs, directors and officers, and look forward to working with all of you. With the support of all of you and of course Jim Otradovec and Barb Wise, this will be a great year!

2014-2015 OFFICERS INSTALLED AT CONFERENCE

The 2014-2015 American Council of Engineering Companies/Maryland (ACEC/MD) officers and directors were recently installed at the organization's 26th Annual Conference at the Hotel Monteleone, New Orleans, Louisiana. On hand to perform the honors for the American Council of Engineering Companies (ACEC) was ACEC Vice Chair & Treasurer Harvey Floyd (KCI Technologies).

Dana Knight, P.E., of McCormick Taylor, Baltimore, succeeds Jack Moeller, P.E., of Johnson, Mirmiran & Thompson, Sparks, as President. The other officers are: Art Barrett, P.E., of Gannett Fleming, Baltimore, as Vice President; Jerry Jannetti, P.E., of Parsons Brinckerhoff, Baltimore, as Secretary, and Stu Robinson, P.E., of A. Morton Thomas & Associates, Rockville, as Treasurer.

Dana Knight, P.E. is Vice President of McCormick Taylor, Inc. leading the Engineering operations in their Baltimore office. McCormick Taylor has been a leader in planning, engineering and environmental services for over 60 years serving the mid- Atlantic region.

A resident of Monkton, Dana received his Bachelors of Science in Civil Engineering from Purdue University in 1982, and has been registered as a Professional Engineer in the State of Maryland since 1987. He has over 30 years of experience in planning and design of small and large transportation and other civil projects in Maryland and

ACEC
MARYLAND

2014-2015 OFFICERS INSTALLED AT CONFERENCE

(continued)

Delaware. Dana has been Project Manager/Principle for the award winning Maryland Route 100 from I-95 to MD 713 project, which included Dorsey Station and the US 29/ Briggs Chaney Road Interchange.

The recipient of Baltimore's "Young Engineer of the Year" award in 1992, Dana has been the ACEC/MD Committee chair for the Awards Committee and the Legislative Committee, and served in all the officer positions and as an ACEC/MD Director. He also served as President of the Maryland chapter of ASCE and is a Vice President of the Maryland Association of Engineers.

W. Arthur Barrett, II, P.E. is a Senior Vice President of Gannett Fleming, Inc., a multi-disciplined consulting engineering firm with over 2000 employees. As the Delmarva Regional Director, Art is responsible for the Baltimore, Newark, Hampton Roads, Richmond, Raleigh, and Fairfax offices.

A resident of Cooksville, Art received his Bachelors of Science in Civil and Environmental Engineering from Clarkson University in 1981, and has been registered as a Professional Engineer in the State of Maryland since 1986. He has over 30 years of experience in planning, design and management of transportation and municipal projects. Art has been Treasurer, Secretary, and a committee chair and Director for ACEC/MD, served as President of the Maryland chapter of ASCE and President for the Engineering Society of Baltimore.

Art has been Project Manager/Principle for numerous site specific and on-call contracts for clients throughout Maryland. He as managed several award winning projects: O'Donnell Street Viaduct; Monroe Street Viaduct; Double Tracking Sections 5 and 6 for the Baltimore Light Rail System, and is presently the General Engineering Consultant Project Manager of the Purple Line Light Rail project in Prince George's and Montgomery Counties.

Stuart Robinson, P.E., is a Principal and Vice President of A. Morton Thomas and Associates, Inc. an ENR Top 500 firm, ZweigWhite Hot Firm and ZweigWhite Best Firm to Work For. He leads the firm's water resource practices in the mid-Atlantic region.

A resident of Mt. Airy, Stu earned a Bachelors of Science in Civil Engineering from Syracuse University in 1978. He has been registered as a Professional Engineer in the State of Maryland since 1990 and also is registered in Virginia, Delaware and North Carolina.

Stu is a Project Manager/Principal for several SHA Highway/Hydraulics open-end contracts and various City/County projects throughout Maryland and Virginia. His notable

an affiliate of

ACEC

2014-2015 OFFICERS INSTALLED AT CONFERENCE

(continued)

projects include: the 2010 ACEC/MD Grand Award winning NPDES Program Carrington Watershed Retrofit; the award winning Stony Creek Pond at the National Institutes of Health Project; ICC Contracts A and B; Woodrow Wilson Bridge; MD 4/Suitland Parkway Interchange; Danville Bypass VA.; and MAA BWI Thurgood Marshall Airport RSimprovements. Stu has been in practice for 36 years, working the last 30 with an emphasis on improving the water quality of discharges to the Chesapeake Bay.

Stu has been the ACEC/MD Committee chair for the Awards Committee and has served as ACEC/MD Secretary and Director. He currently serves as Treasurer Board Member for the SAME Ft. Detrick Chapter and is a member of ASCE, VFMA, and ASHE.

Gerald (Jerry) S. Jannetti, P. E. is a Vice President of Parsons Brinckerhoff Inc., a multi-disciplined consulting engineering firm with over 12,000 employees worldwide. Jerry is responsible for the Baltimore office.

A resident of Ellicott City, Jerry received his Bachelors of Science in Civil Engineering from the University of Massachusetts at Lowell in 1984. He has over 30 years of experience in planning, design and management of transportation and municipal projects. Jerry has been a committee chair and Director for ACEC/MD.

Jerry has been Project Manager/Principal for numerous site specific and on-call contracts for clients throughout Maryland and Delaware. He is currently a principal on: the InterCounty Connector, the General Engineering Consultant of the Red Line in Baltimore City and Baltimore County and the Program Manager of the Purple Line Light Rail project in Prince George's and Montgomery Counties. In addition, he is a Principal for the design of a replacement for Amtrak's B&P Tunnel in Baltimore City.

In addition to the officers, the following were also installed to serve on the ACEC/MD Executive Committee:

ACEC Director – Leon Kriebel, WBCM (Towson)

ACEC Alternate Director - Jack Moeller, JMT (Sparks)

2012-2015 Directors – Alan Straus, URS Corporation (Hunt Valley); and Stuart Taub, Wallace Montgomery (Towson)

2013-2016 Directors – Christopher Fronheiser, AECOM (Baltimore); and Manny Sidhu, Sidhu Associates (Hunt Valley)

2014-2017 Directors – Tony Frascarella, Century Engineering (Hunt Valley); and Sean McCone, JMT (Sparks).

PRESIDENT KNIGHT ANNOUNCES 2014-2015 ACEC/MD COMMITTEE CHAIRS

We are pleased to announce the following appointments to chair of ACEC/MD's Committees. Although the deadline to sign up for committee service has passed, if you are interested in serving on a Committee, please contact the ACEC/MD office, and we will try to satisfy your request.

• AWARDS AND RECOMMENDATIONS

Director – Tony Frascarella (Century Engineering)

RACHEL ELLIS, CHAIR (rellis@gfnet.com)

Gannett Fleming, Inc.

Rutherford Plaza, 7133 Rutherford Road, Suite 300, Baltimore, MD 21244

Phone: 443-348-2017; FAX: 410-298-3940

The Awards and Recommendations Committee is charged with conducting an awards program to obtain entries for engineering excellence among member firms of the American Council of Engineering Companies/Maryland. The committee shall publicize the program, determine the guidelines for awards, and obtain judges for reviewing entries. The committee shall award the winners at the Awards Banquet and present certificates to the winners. The committee shall endorse significant award winners for ACEC competition.

The Awards and Recommendations Committee shall also be charged with recommending representatives from member firms for other awards as applicable.

• BALTIMORE CITY LIAISON

Director – Christopher Fronheiser (AECOM)

TONY MAWRY, CHAIR (amawry@wallacemontgomery.com)

Wallace Montgomery

10150 York Road, Suite 200, Hunt Valley, MD 21030

Phone: 410-494-9093; FAX: 410-667-0925

This committee is charged with monitoring legislative regulations and programs in the city of Baltimore which are of direct interest to the field of consulting engineers. The committee shall monitor such activities by attendance at relevant public meetings and direct contacts with governmental personnel and their activities as necessary.

• BUSINESS FINANCE

Director – Alan Straus (URS)

RICK SMULOVITZ, CHAIR (rsmulovitz@jmt.com)

Johnson, Mirmiran & Thompson

72 Loveton Circle, Sparks, MD 21152-9270

Phone: 410-329-3100; FAX: 410-472-2200

This committee provides a forum for CFOs and other individuals to discuss the financial aspects of the consulting engineering business. The committee will address topical matters such as overhead requirements and related overhead submissions, cognizant audits, professional liability insurance and the related insurance climate, legal matters and trends in litigation, accounting policies and procedures, business analytics and related trends.

an affiliate of

PRESIDENT KNIGHT ANNOUNCES 2014-2015 ACEC/MD COMMITTEE CHAIRS (continued)

• CAREER OUTREACH COMMITTEE

Director – Christopher Fronheiser (AECOM)
JEFF McCORMACK, CHAIR (jeff.mccormack@aecom.com)
AECOM
7 St. Paul Street, 17th floor, Baltimore, MD 21202
Phone: 410-454-8121; FAX: 410-484-4097

The committee is charged with encouraging students to enter the consulting engineering profession and related career fields. Activities for the committee include, but are not limited to, conducting student outreach programs at career days and through hands-on demonstrations, working with colleges and universities to both encourage graduates to enter the profession and to provide input on appropriate curriculum for students entering the field of consulting engineering and its allied professions.

• CEPAC (POLITICAL ACTION COMMITTEE)

Director – Sean McCone (JMT)
VIC SIAURUSAITIS, CHAIR (vsiaurusaitis@mbakercorp.com)
Michael Baker Corporation
1304 Concourse Drive, Suite 200, Linthicum, MD 21090
Phone: 410-689-3400; FAX: 410-689-3401

CEPAC is ACEC/MD's legally-designated political action committee and is charged with administering, under ACEC/MD's Rules of Policies and Procedures and the state laws and regulations, the solicitation, collection and distribution of funds to candidates for public offices in the state of Maryland. The committee shall develop an annual finance plan and develop criteria for fund allocation. The committee shall solicit funds through contributions from member firms and/or other fund-raising activities approved by the ACEC/MD Executive Committee.

• CONSTRUCTION SERVICES

Director – Alan Straus (URS Corporation)
BOB SEBASTIAN, CHAIR (bob.sebastian@ebaengineering.com)
EBA Engineering
Seton Business Park, 4813 Seton Drive, Baltimore, MD 21215
Phone: 410-358-7171; FAX: 410-358-7213

Through cooperative efforts, partnering, and joint awareness, the Committee is charged with bringing the Construction Management, Construction Inspection and Engineering firms and State Agencies together to discuss common issues facing the industry. In doing so, the committee shall position the industry to effectively and efficiently respond to the various agency programmatic needs over the next five years by working cooperatively to identify, address, and resolve barriers to providing quality, timely services.

• CORPS OF ENGINEERS PARTNERING/FEDERAL GOV. LIAISON

Director – Christopher Fronheiser (AECOM)
KURT MILLER, CHAIR (kamiller@mccormicktaylor.com)
McCormick Taylor, Inc.
Meadow Mill @ Woodberry, 509 South Exeter Road, 4th floor
Baltimore, MD 21202
Phone: 410-662-7400; FAX: 410-662-7401

The committee is tasked with pursuing the goals outlined in the partnering agreement with the USCOE originated on June 21, 1993 and most recently updated on October 13, 2011. Meetings will be held on a semi-annual basis.

The Federal Government Liaison Committee is also charged with monitoring and reporting to the Executive Committee on issues related to the ACEC committee work with NAVFAC, Air Force, Corps of Engineers, GSA and the Veteran's Administration.

an affiliate of

PRESIDENT KNIGHT ANNOUNCES 2014-2015 ACEC/MD COMMITTEE CHAIRS (continued)

• COUNTY GOVERNMENTAL & MUNICIPALITIES LIAISON

Director – Stu Taub (WMA)

VINCE PIELLI, CHAIR (vpielli@urbanengineers.com)

Urban Engineers

250 West Pratt Street, Suite 1750, Baltimore, MD 21201

Phone: 443-780-0030; FAX: 443-780-0031

The County/Municipal Government Liaison Committee shall be charged with maintaining contact with county and municipal governments throughout the state of Maryland in order to be fully aware of existing and/or proposed changes, or additional requirements that significantly affect the general business and engineering relationships with member firms of ACEC/MD. The committee shall monitor such activities by attendance at relevant public meetings, conventions, direct contact with governmental personnel and other activities as necessary. The committee shall report to the ACEC/MD Executive Committee on relevant matters.

• DEPT. OF GENERAL SERV. LIAISON (DGS)/INTERPROFESSIONAL

Director – Manny Sidhu (Sidhu Associates)

DAN TICE, CHAIR (dan.tice@alphacorporation.com)

Alpha Corporation

1800 Washington Boulevard, Suite 425, Baltimore, MD 21230

Phone: 410-646-3044; FAX: 410-646-3730

The charge to this committee, as requested by the Department of General Services, is to act as a liaison between the DGS and the related architectural-engineering professions. The committee members shall monitor legislation, regulations, and other activities and programs related to the Department of General Services and related client organizations.

The committee is also charged with maintaining relationships with other design professional organizations and with industry trade organizations to develop programs, sponsor and/or support legislation, etc., of common interest to all interprofessional organizations. The committee shall cooperate with the Legislative Committee in reporting legislative activities of common interest to other organizations to further a good interprofessional climate.

• DEPARTMENT OF TRANSPORTATION LIAISON (MDOT)

Director – Alan Straus (URS Corporation)

JOE MAKAR, CHAIR (jmakar@wrallp.com)

Whitman, Requardt & Associates

801 South Caroline Street, Baltimore, MD 21231

Phone: 410-235-3450; FAX: 410-243-5716

The MDOT Liaison Committee is charged with monitoring legislation, regulations, and other activities and programs in the transportation fields, including highways, railroads, aviation, mass transit and transmission of matter through pipelines. The committee shall recommend positions on transportation issues to the Executive Committee.

The MDOT Liaison Committee shall maintain contact with the Maryland Department of Transportation through attendance at relevant public meetings and participation in other activities. The committee should be fully aware of any proposed MDOT requirements that could significantly affect the objectives of ACEC/MD.

PRESIDENT KNIGHT ANNOUNCES 2014-2015 ACEC/MD COMMITTEE CHAIRS (continued)

• EDUCATIONAL FACILITIES

Director – Manny Sidhu (Sidhu Associates)
ED FRACZKOWSKI, CHAIR (efraczko@eblengineers.com)
EBL Engineers, Inc.
8005 Harford Road, Baltimore, MD 21234
Phone: 410-668-8100; FAX: 410-668-8001

The committee is charged with acting as a liaison between the autonomous university and county school systems in the state and ACEC/MD. Legislation, regulations and other activities and programs related to these universities and school systems shall be monitored by the committee.

• ENGINEER'S WEEK/ENGINEERING SOCIETY OF BALTIMORE ASSOCIATE COUNCIL

Director – Sean McCone (JMT)
RAY STRIEB, CHAIR (raystreib@dfiengineering.com)
Development Facilitators, Inc.
1127 Benfield Boulevard, Suite K, Millersville, MD 21108
Phone: 410-647-2727; FAX: 410-647-7127

The Engineers' Week/Engineering Society of Baltimore Associate Council Liaison Committee is charged with cooperating with the umbrella committee sponsored by the Maryland Society of Professional Engineers and ESB to further interest in general fields of engineering. This committee should promote participation in activities to encourage students to pursue engineering curriculum and to publicize to the community the contributions of consulting engineering for the benefit and welfare of mankind. The chair will attend and represent ACEC/MD at Associate Council meetings.

• ENVIRONMENTAL

Director – Tony Frascarella (Century Engineering)
JAMES DERIU, CHAIR (james.deriu@kci.com)
KCI Technologies
936 Ridgebrook Road, Sparks, MD 21152
Phone: 410-316-7834; FAX: 410-316-7817

The purpose of the Environmental Committee is to provide liaison with public regulatory agencies to assure a cooperative spirit between ACEC/MD and the respective agency; maintain contact with the environmental departments of private/public organizations which regularly procure services from member firms; monitor a wide range of environmental regulations impacting the engineering profession; and provide a forum on environmental topics for member firms. Meetings shall be held on an as-needed basis.

General Categories covered by the Environmental Committee include:

- o Air Quality
- o Brownfields Consulting/Property Due Diligence
- o Critical Areas of the Chesapeake Bay and tributaries
- o Environmental Justice
- o Erosion and Sediment Control
- o Forest Stand Delineation and Conservation Plans
- o Hazardous Materials
- o Industrial Hygiene
- o National Environmental Policy Act
- o Noise Studies
- o Rare, Threatened and Endangered Species
- o Site Remediation
- o Soil and Groundwater Investigations/Modeling
- o Stream Restoration
- o Stormwater Management
- o Underground/Aboveground Storage Tanks
- o Water Quality
- o Watershed Studies
- o Wetlands Permitting and Mitigation Design

PRESIDENT KNIGHT ANNOUNCES 2014-2015 ACEC/MD COMMITTEE CHAIRS (continued)

- GOVERNMENTAL GOLF OUTING

Director – Stu Taub (WMA)

TONY CLARKE, CHAIR (tony.clarke@jacobs.com)

Jacobs

100 South Charles Street, Suite 1000

Baltimore, MD 21201

Phone: 410-837-5840; FAX 410-837-3277

The Governmental Golf Outing Committee shall be charged with continuing the annual Governmental Golf Outing, involving as many participants as possible from ACEC/MD member firms, & continuing to invite as guests members of the legislature, local governments and large corporations.

- HUMAN RESOURCES DIRECTOR

Director – Stu Taub (WM)

ALICIA JOSEPH, CHAIR (ajoseph@phoenix-eng.com)

Phoenix Engineering

309 International Circle, Suite 130,

Hunt Valley, MD 21030

Phone: 410-329-1774; Fax: 443-320-1588

The Human Resources Director Committee shall address various issues impacting employees of consulting engineering firms and act as a mechanism for disseminating this information to ACEC/MD member firms.

The mission of the Human Resources (HR) Committee of ACEC/MD is to assist member firms by remaining up-to-date on the topics of recruiting and hiring, training, health and safety, employee relations, and compensation and benefits. In turn, the dissemination and utilization of this information will provide tools for attaining the goals and strategies developed by each firm.

Since HR is a constantly changing field and information from last year may be outdated this year, the CEC/MD HR Committee meets regularly to share information with member firms on topics of interest. This is accomplished by inviting guest speakers to attend committee meetings. The committee regularly contributes articles to the ACEC/MD newsletter, as well as, providing timely information at periodic General Membership Meetings.

- INFORMATION TECHNOLOGY

Director – Christopher Fronheiser (AECOM)

CHRIS CALAF, CHAIR (ccalaf@wbcm.com)

Whitney, Bailey, Cox & Magnani

849 Fairmount Avenue, Suite 100, Baltimore, MD 21286

Phone: 410-512-4500; FAX: 410-324-4100

The Information Systems Committee shall provide a forum for the exchange of non-proprietary information on computers and information systems support in an engineering environment.

an affiliate of

PRESIDENT KNIGHT ANNOUNCES 2014-2015 ACEC/MD COMMITTEE CHAIRS (continued)

• LEGISLATIVE

Director – Sean McCone (JMT)
 CHUCK PHILLIPS (charles.phillips@kci.com)
 KCI Technologies
 936 Ridgebrook Road, Sparks, MD 21152
 Phone: 410-316-7855; FAX: 410-316-7817

The Legislative Committee is charged with continuous monitoring of the state, county and city legislative bodies, with emphasis on the state level with respect to such bills, laws, ordinances, rules and regulations that affect the objectives of member firms of ACEC/MD, other members of the profession, allied professions and industries. The committee shall advise the ACEC/MD Executive Committee of impending legislation and develop recommendations for ACEC/MD positions. The committee shall provide testimony at legislative committee hearings and develop and issue policy statements. The committee should maintain a list of legislative members and personal contacts from member firms.

• MEMBERSHIP

Director – Alan Straus (URS)
 ART BARRETT, CHAIR (wbarrett@gfnet.com)
 Gannett Fleming, Inc.
 Rutherford Plaza, 7133 Rutherford Road, Suite 300, Baltimore, MD 21244
 Phone: 443-348-2017; FAX: 410-298-3940

The Membership Committee is charged with membership retention and increasing firm membership in ACEC/MD by targeting prospective firms with written, telephone and personal contacts.

The committee should be comprised of at least three members in addition to the chair. The Membership Committee's official duties are outlined in Item II of the Rules of Policy and Procedure.

• NOMINATING

Director - Unassigned
 LEON KRIEBEL, CHAIR (lkriebel@wbcm.com)
 Whitney, Bailey, Cox & Magnani
 849 Fairmount Avenue, Suite 100, Baltimore, MD 21286
 Phone: 410-512-4500; FAX: 410-324-4100

The Nominating Committee is charged with selecting nominees for office in ACEC/MD in accordance with the Bylaws, Article III. The committee should seek equal representation from the major fields of engineering, as practiced by ACEC/MD member firms and representation from large and small firms. The committee should advise the nominees of the financial and time commitments extending beyond monthly meetings. Although ACEC/MD has not practiced a formal progression of offices, the Vice President should be advised of a potential time commitment of four years including service as a delegate to ACEC.

• PAST PRESIDENTS AND FELLOWS ADVISORY/BYLAWS

Director - Unassigned
 LEON KRIEBEL, CHAIR (lkriebel@wbcm.com)
 Whitney, Bailey, Cox & Magnani
 849 Fairmount Avenue, Suite 100, Baltimore, MD 21286
 Phone: 410-512-4500; FAX: 410-324-4100

The Committee is charged with providing recommendations and guidance on strategic issues relative to the long term goals and objectives of ACEC/MD. The committee shall also provide recommendations on specific issues as requested by the President or Executive Committee. The Bylaws Subcommittee shall be charged with redrafting the bylaws to be in compliance with present operational methods of ACEC/MD. The Fellows Subcommittee shall be charged with presenting candidates for the honor of Fellow member to the Executive Committee.

an affiliate of

PRESIDENT KNIGHT ANNOUNCES 2014-2015 ACEC/MD COMMITTEE CHAIRS (continued)

• PROGRAM AND ANNUAL CONFERENCE/MEETING

Director – Tony Frascarella (Century Engineering)

JOHN NOLAN, CHAIR (jnolan@gpinet.com)

Greenman-Pedersen, Inc.

10977 Guilford Road, Annapolis Junction, MD 20701

Phone: 410-880-3055; FAX: 301-490-2649

The Program and Annual Conference/Meeting Committee is charged with obtaining speakers for the four general membership meetings. Programs should be of interest to all member firms and should be of a timely topic. Subjects related to marketing, financial management, employer-employee relationships, benefit packages and economic growth could be considered. The committee should consist of a chair and three members. This committee is also responsible for arranging the Annual Conference/Meeting at a site to be determined.

• PUBLIC RELATIONS

Director – Tony Frascarella (Century Engineering)

KIM TROIANI, CHAIR (ktroiani@rkk.com)

Rummel, Klepper & Kahl

81 Mosher Street, Baltimore, MD 21217

Phone: 410-728-2900; FAX: 410-728-2992

The Public Relations Committee is charged with maintaining public awareness of the activities of ACEC/MD and the profession through attendance at related community and civic affair activities, coordinating school visitations, and representation in various media to effectively communicate the contributions of ACEC/MD member firms and the profession to society. The committee should work with the Executive Director to promote media coverage of events, such as Engineers Week, Engineering Excellence Awards, Scholarship Awards and other events.

• QBS

Director – Stu Taub (Wallace, Montgomery & Associates)

KEN DERRENBACHER, CHAIR (kderren@schnabel-eng.com)

Schnabel Engineering

1504 Woodlawn Drive, Baltimore, MD 21207

Phone: 410-944-6170; FAX: 410-944-1162

The committee shall promote the attributes of Qualifications Based Selection (QBS) to using agencies, jurisdictions, the design profession, and general public. In conjunction with the County Governmental Liaison Committee, the committee shall focus on educating local jurisdictions on the merits of the QBS method of procuring engineering services.

• SMALL BUSINESS ENTERPRISE

Director – Manny Sidhu (Sidhu Associates)

CHARLES KUMI, CHAIR (ckumi@kumicm.com)

Kumi Construction Management Corporation

10 North Calvert Street, Suite 708, Baltimore, MD 21202

Phone: 410-528-5341; FAX: 410-528-5342

The Small Business Enterprise (SBE) Committee addresses issues of interest to members that are both MBE/DBE and non-MBE/DBE firms. Committee activities include -

- o Provide a forum to promote small business development and success through workshops, roundtables, a web site, or other potential communications.
- o Meet with public agencies to discuss small business issues.
- o Participate in small business events and workshops with the Maryland Quality Initiative (MdQI).
- o Promote the use of Maryland's Small Business Reserve Program for engineering work.
- o Provide coordination for prime/DBE matchmaking events for MDOT and other agencies.
- o Provide a forum to address MBE/DBE issues, as needed.

DEADLINE ANNOUNCED FOR ACEC/MD's 2015 ENGINEERING EXCELLENCE AWARDS COMPETITION

DEADLINE FOR ENTRIES: September 15, 2014

Submit electronically to acecmd@acecmd.org

The American Council of Engineering Companies/Maryland's (ACEC/MD's) annual Engineering Excellence Awards (EEA) competition recognizes engineering firms for projects that demonstrate a high degree of innovation, achievement, and value. In a two-step process, firms can submit their outstanding projects for consideration, culminating in our Annual Awards Banquet, held each year in February, in conjunction with Engineers Week.

ELIGIBILITY

Any firm engaged in the private practice of consulting engineering or land surveying is eligible to enter the awards program whether or not the firm is an ACEC member. Engineering or surveying achievements that have won awards in other state or national organizations' design awards programs may be entered. Projects entered in the competition may have been executed anywhere in the world. Research and Studies (Category A) or Surveying and Mapping projects (Category D) must have been publicly disclosed by the client between November 1, 2012 and October 31, 2014. Construction of projects (Categories B through L – with the exception of D) must have been substantially completed and ready for use between November 1, 2012 and October 31, 2014.

GENERAL CRITERIA

Both member and nonmember consultant firms may submit up to three (3) entries for consideration in the "preliminary" phase of the ACEC/MD Engineering Excellence Awards competition. Only those entries shortlisted in the preliminary phase will be eligible for submission in the ACEC/MD final awards program and the ACEC national competition. Entries may deal with any one of 12 categories shown below, which are also presented in the national awards brochure (www.acec.org).

JUDGING

Entries will be judged in the preliminary phase of the awards program on the written description of the project as outlined above. The entry will be judged on the basis of the work performed by the entering firm only and according to the rating guidelines listed below. Due to the increasing popularity of this competition, at the discretion of the judges, ACEC/MD will once again award winners in categories that are loosely aligned with the categories in the ACEC national competition.

RATING GUIDELINES FOR JUDGING

Uniqueness and/or innovative applications of new or existing techniques	20%
Future value to the engineering profession and perception by the public	20%
Social, economic and sustainable design considerations.....	20%
Complexity	20%
Successful fulfillment of client/owner needs	20%

DEADLINE ANNOUNCED FOR ACEC/MD's 2015 EEA COMPETITION (continued)

Categories:

CATEGORY A - Studies, Research and Consulting Engineering Services

Non-design services, projects not involving the preparation of construction documents consisting of but not limited to the following types of projects:

- o New products, materials and technologies
- o Expert testimony
- o Basic research and studies
- o Computer/software technology
- o Technical papers
- o Public outreach/ involvement
- o Water conservation
- o Security plans
- o Project feasibility studies/economic/risk
- o Value engineering

CATEGORY B - Building/Technology Systems

- o Mechanical/electrical/ plumbing
- o Computer/technology
- o Communications
- o Acoustics
- o Software systems
- o Sustainability or carbon neutrality
- o Efficiency certification standards, e.g. LEED
- o Energy efficiency - new and retrofit
- o Secure facilities (military/research/correctional)

CATEGORY C - Structural Systems

- o Foundations
- o Tunnels
- o Buildings
- o Seismic design
- o Towers
- o Bridges
- o Stadiums

CATEGORY D - Surveying and Mapping Technology

- o Geometrics, ALTA, land title and rights surveys
- o Control, GPS, monitoring or construction surveying
- o Survey mapping, GIS/ LIS, photogrammetry

CATEGORY E - Environmental

- o Hazardous waste
- o Solid waste
- o Restoration/reclamation/ remediation
- o Air quality
- o Noise
- o Recycling
- o Waste pond management
- o Carbon sequestration and trading
- o Mitigation

CATEGORY F - Waste and Storm Water

- o Wastewater collection/ treatment and disposal
- o Residuals management and reuse
- o Graywater systems
- o CSO's
- o Mine tailings
- o Agricultural
- o Storm water management
- o Erosion control

DEADLINE ANNOUNCED FOR ACEC/MD's 2015 EEA COMPETITION (continued)

Categories (continued):

CATEGORY G - Water Resources

- o Hydraulics, hydrology
- o Surface and groundwater supply development
- o Treatment
- o Transmission, distribution & storage
- o Watershed management
- o Water use reduction
- o Flood risk management
- o Climate adaptation
- o Coastal and eco-system restoration
- o Locks/dams/water control structures
- o Irrigation

CATEGORY H - Transportation

- o Highways
- o Rail
- o Airports
- o Marine/ports
- o Public transit
- o Intermodal facilities

CATEGORY I - Special Projects

- o Safety and security
- o Corrosion protection/cathodic protection
- o Program and construction management
- o Land development
- o Trenchless technologies/directional boring
- o Recreational facilities
- o Subsurface engineering

CATEGORY J - Small Projects

- o Total project construction budget does not exceed \$2.5 million. At the entrant's discretion, except for entries in Category A, projects under \$2.5 million are not limited to this category.

CATEGORY K - Energy

- o Transmission and distribution
- o Power generation
- o Renewable energy
- o Cogeneration
- o Energy storage technologies
- o Energy usage reduction programs
- o Demand side management

CATEGORY L - Industrial and Manufacturing Processes and Facilities

- o Petrochemical
- o Biotech
- o Manufacturing
- o Heavy industry
- o Industrial waste
- o Materials handling
- o Mining, metallurgy, mineralogy

The entering firm must select one category, which is most appropriate, in which it wishes to compete. A project may be entered only once in a particular category. However, after a project entered in Category A has been constructed, it may be entered in another year in B, C, D, E, F, G, H, I, J K or L in the year when eligible.

an affiliate of

DEADLINE ANNOUNCED FOR ACEC/MD's 2015 EEA COMPETITION (continued)

HOW TO SUBMIT AN ENTRY

Entries are limited to three (3) per firm. They must be submitted electronically to the ACEC/MD office at acecmd@acecmd.org, no later than September 15, 2014, and shall include:

1. the ACEC/MD entry form;
2. one copy of an Executive Summary, not to exceed one page - 8.5" x 11" with 1" side margins; minimum 12pt. type, double spaced, describing the problem, and the solution; and
3. one copy of a Press Release (up to two pages, double spaced) clearly and concisely describing the project and the entrant's participation in the project, reflecting on factors listed below. In addition, indicate the value of the project to the community, identify the number of people served, cost savings, etc. Do not reference other awards in the submitted materials.

Submitted projects will be evaluated based on the following features:

1. Uniqueness and/or Innovative Applications of New or Existing Techniques:

- Does the entry demonstrate the use of a new science or a breakthrough in the general knowledge of engineering?
- Does the entry represent a unique application of new or existing technology, techniques, materials or equipment?

2. Future Value to the Engineering Profession and Perception by the Public:

- Will the entry redefine current engineering thinking?
- Does the entry advance a positive public image of engineering excellence?

3. Social, Economic and Sustainable Development Considerations:

- Do the solutions identified produce secondary benefits of value to the community environment?
- Does the entrant's approach provide society with social, economic, or sustainable development benefits?
- Does the entrant's contribution to the project improve the health, safety or welfare of the public or affected environment?

4. Complexity:

- Did the entry successfully address highly complex criteria or unique problems?
- Were extraordinary problems of site, location, hazardous conditions, project requirements, or similar elements present?
- Did the entry require the use of out-of-the-ordinary technology or ingenuity for achievement of the project's goals?

5. Successful fulfillment of Client/Owner Needs:

- Did the engineer or entrant successfully engage the client/owner in the overall project development process?
- Was it an economical and cost-effective solution?
- How did the final cost relate to the original budget estimate?
- How closely does the entrant's solution meet the total goals of the client/owner?
- Did the entrant meet the client's time schedule?

Preliminary entries selected by the judges for submission in the final awards program must follow the additional guidelines as specified in the ACEC Engineering Excellence brochure. Submitting a graphic panel with the final submission is encouraged, although not required. ACEC/MD showcases these panels at events throughout the year, as additional publicity for our members' achievements. Also, the ACEC/MD program will not require the "official notebook". Firms may organize their entry for the ACEC/MD awards program, when advised, in any format they choose.

NEW ORLEANS PROVIDES PERFECT VENUE FOR 2014 CONFERENCE

New Orleans and the historic Hotel Monteleone was the site of ACEC/MD's 26th Annual Conference. An engineering marvel by the mighty Mississippi, this unique and historic city provided the perfect setting for our conference attendees.

Paramount to the success of this year's conference were presentations by the U.S. Army Corps of Engineers (USACE), New Orleans District representatives, who provided a technical presentation on the Hurricane & Storm Damage Risk Reduction System (HSDRRS) for metro New Orleans. Following Friday's informative session, on Saturday conference attendees toured the 17th Street Permanent Canal Closure Pumping Station. When fully operational the three pump stations making up the system will be able to pump 24,300 CFS, the equivalent of enough water to fill an Olympic-sized swimming pool in 3.63 seconds.

In addition to this year's technical tour, non-golfer conference attendees were exposed to plantation life during an informative tour of the historic Oak Alley and Laura Plantations. Realizing their audience, our guides were sure to point out the structural components associated with the main plantation houses.

Of course no trip to New Orleans would be complete without a riverboat tour. The Steamboat Natchez delivered the perfect local color evening as conference attendees experienced the unique New Orleans waterfront and local cuisine.

Eighteen golfers competed on the challenging TPC Louisiana course for the prestigious John E. Greiner trophy. Coming out on top this year was Ames & Gough's Jared Maxwell, who shot a net score of 74. Other notable performances included:

Men's Low Gross – Tony Frascarella (Century)

Closest to the Pin – Carolann Wicks (RKK)

Least Putts – Jerry Jannetti (PB)

Most Putts – Brandon Knight (MT)

In addition to an inspirational summary of ACEC activities provided by ACEC Vice Chair and Treasurer Harvey Floyd (KCI), this year's conference General Membership meeting featured a lively presentation by renowned local historian Morgan McCall Molthrop.

In his closing remarks, outgoing President Jack Moeller (JMT) thanked the other Executive Committee members, committee chairs, and member firm representatives for all of their support throughout the year. He also commented on the importance of partnering with clients.

Incoming President Dana Knight (McCormick Taylor) thanked Jack for all of his efforts and complimented him on his ability to balance running ACEC/MD with his responsibilities as a president of a major engineering firm. Keeping in the spirit of New Orleans, Dana presented Jack with a voodoo doll for those difficult moments.

After taking the reins of the organization, Dana committed to working hard, but also playing hard. He plans on building on the Smart Goals initiated last year, and continuing to focus on legislative initiatives and PAC fundraising. He also commented that with the improving economy, now is the time to address unreasonable caps imposed by some clients.

ACEC SOLICITING INPUT ON CLEAN WATER ACT PROPOSAL

As you might know, the U.S. Environmental Protection Agency and the U.S. Army Corps of Engineers have published a Notice of Proposed Rulemaking on the reach of the agencies' jurisdiction under the Clean Water Act. ACEC is requesting member feedback on the impact of the proposal on the services you provide to clients.

The proposed rule would define the scope of protection for "waters of the United States" under the law, including lakes, rivers, streams, tributaries and wetlands. This is significant because coverage under the Clean Water Act triggers the need for NPDES permits, Section 404 permits to discharge dredged or fill material, reporting the release of hazardous substances, and oil spill control and response planning. Federal jurisdiction over certain waters has been questioned in several Supreme Court decisions, leading to uncertainty for the regulated community and inconsistent determinations by agency officials.

The EPA and the Corps propose to include all traditional navigable and interstate waters as well as upstream tributaries, adjacent wetlands and other waters that have a "significant nexus" that could impact the chemical, physical or biological integrity of those waters. The agencies contend that scientific studies have demonstrated the nature of hydrological connectivity and effects of streams and wetlands on downstream waters, thus justifying their coverage under federal jurisdiction. Explicit exclusions are listed in the proposed rule for certain categories, including waste treatment systems, ditches that drain only in uplands and do not connect to navigable waters, water-filled depressions created incidental to construction activity, and numerous agricultural activities.

We are aware that some groups in the construction, manufacturing, mining, agriculture, housing and real estate sectors have expressed concerns about a significant expansion of federal jurisdiction. Supporters of the rule contend that it will provide clarity for regulators, eliminate the need for most case-specific analysis, and reduce documentation requirements.

Go to <http://www2.epa.gov/uswaters> for more information from U.S. EPA, including a copy of the proposed rule and instructions for submitting comments.

If you have not already done so, please forward your input to ACEC's Direction of Environment and Energy Programs at kpemrick@acec.org, by Wednesday, October 1, 2014.

MBE PARTICIPATION AS A PRIME CONTRACTOR MAY BE COUNTED TOWARD MBE GOAL

Effective June 9, 2014, when an MBE participates as a prime contractor on a contract, a procurement agency may count the distinct, clearly defined portion of the work of the contract that the certified MBE performs with its own forces toward fulfilling up to 50 percent of the MBE participation goal and up to 100 percent of not more than one of the MBE participation subgoals.

ACEC/MD TO HOST FUNDRAISER FOR CONGRESSMAN DUTCH RUPPERSBERGER

ACEC/MD will host a breakfast for influential Maryland Congressman Dutch Ruppersberger on Wednesday, November 12, 2014, from 8:45am – 10:00am, at the Garrett Jacobs Mansion's Courtyard. A member of the powerful Select Committee on Intelligence, Congressman Ruppersberger has been a staunch advocate for the passage of legislation to improve and maintain our nation's crumbling infrastructure. The suggested contribution per person for this event is only \$125.00, with proceeds going directly to the Congressman's campaign efforts. Mark your calendar for November 12th, and plan on joining your colleagues and friends at this important political event.

Please make checks payable to: Dutch Ruppersberger for Congress; and mail to: American Council of Engineering Companies/Maryland, 312 North Charles Street, Suite 200, Baltimore, Maryland 21201

For more information, or to RSVP, please contact the ACEC/MD office at (410) 539-1592, or acecmd@acecmd.org

FEDERAL LAW PROHIBITS CORPORATIONS FROM MAKING CONTRIBUTIONS TO FEDERAL CAMPAIGNS.
Political contributions are not deductible as charitable contributions for the purposes of federal income tax.
Federal law requires political committees to report the name, mailing address, occupation and name of employer of individuals whose contributions exceed \$200 in an election cycle.
Corporate and foreign national contributions are not permitted and cannot be accepted.

A special thanks to our Host Committee:

Dana Knight; Art Barrett; Jerry Jannetti; Stu Robinson; Leon Kriebel; Jack Moeller; Stu Taub; Christopher Fronheiser; Manny Sidhu; Tony Frascarella; and Sean McCone.

ACEC/MD MEMBER FIRMS GO TO BAT FOR THE INDUSTRY

To assist states in their legislative and legal battles with national implications, ACEC established the Minuteman Fund. Funded through contributions by member firms, ACEC/MD has been a recipient of these funds in the past for initiatives such as blocking taxes on professional services, infrastructure funding, and certificate of merit.

We would like to acknowledge the contributions by the following firms over the past fiscal year, and hope that your firm would consider making a future contribution to this important initiative.

A. Morton Thomas & Associates
Constellation Design Group
Daniel Consultants
EBA Engineering
Johnson, Mirmiran & Thompson
RJM Engineering
Rummel, Klepper & Kahl
Sidhu Associates
Wallace Montgomery
Whitman, Requardt & Associates

2015 ACEC/MD YOUNG PROFESSIONAL OF THE YEAR AWARD COMPETITION ANNOUNCED

The American Council of Engineering Companies/Maryland is soliciting candidates for the 2015 ACEC Young Professional of the Year Award. This award recognizes the accomplishments of our young engineers by highlighting their interesting and unique work, and the resulting impact on society. The 2015 recipient will be honored at ACEC/MD's Awards Banquet February 19, 2015.

The 2015 ACEC Young Professional of the Year Award will be held in conjunction with the National Engineers Week Foundation's New Faces of Engineering 2015 competition. The ACEC Young Professional of the Year is an ACEC program that is separate from the National Engineers Week Foundation's New Faces of Engineering program. However, the five winners of the ACEC Young Professional of the Year Award will become ACEC's nominees to the New Faces of Engineering competition. Hence, all nominees for the ACEC Young Professional of the Year Award must agree to participate in the New Faces of Engineering program. More information on National Engineers Week can be found at www.eweek.org.

The 2015 ACEC Young Professional of the Year award information is posted on ACEC's website-<http://www.acec.org/awardprograms/young-professional-award>.

All nominations must be electronically submitted to Daisy Nappier, ACEC Committee of Fellows, at dnappier@acec.org no later than Friday, October 3, 2014. Contact Daisy Nappier at (202) 347-7474, if you have any questions.

RECOGNIZE YOUR EMPLOYEES' IMPORTANT CONTRIBUTIONS TO SOCIETY

ACEC/MD is looking for employees of member firms that have made significant contributions to their communities by volunteering their time and expertise. These individuals have enhanced the quality of life for all of us, and we would like to recognize their efforts.

Please note that only the official ACEC/MD representative of a member firm may submit candidates. However, a representative from one member firm may nominate a representative from another member firm.

The deadline for entries in the ACEC/MD competition is December 19, 2014. Complete both the ACEC/MD Nomination Certification and the ACEC Nomination, both can be found on the ACEC/MD website www.acecmd.org. Entry must include the ACEC/MD Nomination Certification and ACEC Nomination Form. To be eligible for the competition you must send your entry to the ACEC/MD office, 312 North Charles Street, Suite 200, Baltimore, MD 21201, by December 19, 2014. The winner in the ACEC/MD competition will be forwarded to ACEC for consideration in their competition later in the year.

Thank you very much for helping ACEC/MD spotlight the valuable contribution that ACEC/MD member firm employees make to our community.

ENGINEERING SOCIETY OF BALTIMORE CONTINUES TO HAVE STRONG ACEC/MD PRESENCE

The new officers and directors of the Engineering Society of Baltimore were announced at the organization's annual meeting on June 20th, and once again ACEC/MD member firm representatives are well represented. We look forward to continuing the strong working relationship with this Baltimore Institution.

President

Christopher T. McCarthy (Leach Wallace Associates)

1st Vice President

Jeffrey Caldwell (James Posey Associates)

2nd Vice President

Marco Avila (Parsons Brinckerhoff)

Treasurer

Charles E. Henck (Whitman, Requardt & Associates)

Secretary

Michael W. Myers (Rummel, Klepper & Kahl)

Director

Daniel T. Cheng (Johnson, Mirmiran & Thompson)

Director

Joel Oppenheimer (STV Incorporated)

Director

George E. Wirth (Schnabel Engineering)

Paul E. Cox

It is with great sadness that we report the loss of Paul E. Cox, a past president of ACEC/MD and former principal of member firm Whitney, Bailey, Cox & Magnani (WBCM).

He passed away on July 28, 2014 at the age of 79.

An important past leader of ACEC/MD, Paul was a true gentleman who will be greatly missed.

Donations may be made in his memory to
Atlantic General Hospital,
9733 Healthway Drive, Berlin, MD 21811

Our sincere sympathy goes out to Paul's family,
associates, and friends.

NEW MEMBERS

The following firm has been elected to Affiliate Membership in ACEC/MD:

WELLS FARGO ADVISORS, LLC

10490 Little Patuxent Parkway, Suite 500, Columbia, MD 21044

Rep.: Jamie Waldren jamie.waldren@wfadvisors.com

410-715-5026; FAX: 410-715-5008

Website: www.jwaldren.com

Brief History and Activities of the Firm: In business since 1852, Wells Fargo Advisors, LLC is one of the nation's premier financial services, serving and advising clients nationwide. Wells Fargo Advisors is a non-bank affiliate of Wells Fargo & Company, one of the nation's largest, strongest, and most respected financial institutions. Named on Fortune magazine's "World's Most Admired Companies" list for 2009, 2010, and 2011, Wells Fargo is known and respected for its responsible stewardship of its clients' assets.

We welcome this firm as an Affiliate Member of ACEC/MD. Be sure to add their information to your records. The next time you see one of their representatives, please take the time to let them know we're glad that they have joined the Council!

MEMBER NEWS

CENTURY ENGINEERING welcomes **James (Jamie) Folden, Jr., P.E.** as Vice President of the Construction Services Division. He has over 16 years of experience with the Maryland State Highway Administration.

EBA ENGINEERING announces the following:

- Effective the first of the year, **Rizwan Siddiqi, P.E.** and **Harish Patel, P.E., R.L.S.** will assume the position of President and First Executive Vice President, respectively. They will succeed **Nanda Sen, P.E.** and **Kunal Gangopadhyay, P.E.** who previously served in the respective positions.
- **Pradip Patel** joined the firm as Vice President of the Environmental Engineering Department. He brings 27 years of experience in the environmental science, engineering and geology fields.
- **Khalid Qadwai, P.E.** and **Imran Patham** have been promoted from Senior Project Engineers to Project Managers.

GEORGE, MILES & BUHR, LLC (GMB) is pleased to announce the following staff promotions:

- **Andrew Lyons, P.E.** was promoted to Sr. Project Engineer and selected as an Associate by the Board of Members.
- **Katherine McAllister, P.E.** was promoted to Project Manager and selected as an Associate by the Board of Members.
- **Jesyl Silva** was promoted to Project Engineer.

PRIME AE GROUP, INC.'s Division Manager of Structures, **Sandy Martin, P.E., PhD** was recently selected to receive the NASA Exceptional Public Achievement Medal for his service in structural engineering and design of the B-2 Test Stand at the NASA Stennis Space Center.

STANTEC announces that **Michael L. Paylor, P.E.**, former Division Chief of Traffic Engineering Design with the Maryland State Highway Administration, has joined the firm as a Senior Associate and discipline lead for traffic engineering.

SEEKING EMPLOYMENT

The following individual is seeking a position and has a complete resume on file in the ACEC/MD office.

1. Individual with B.S. in **Chemical Engineering** from the University of Engineering and Technology Lahore (Pakistan), along with professional skills, seeks position.

Please phone 410-539-1592 if you are interested in obtaining a copy of the resume.

UPCOMING EVENTS**Sept. 17-20 *CEAM 2014 Fall Conference***

Clarion Resort Fontainebleau, Ocean City

Go to <http://www.countyengineers-md.org/conferences.html> for conference registration and details.

October 13 *6th Annual Golfers for Charity Event*

Greystone Golf Course.

Proceeds from this event will help children in need. For more information contact PB's Marco Avila, P.E.

October 16 *ACEC/MD General Membership Luncheon Meeting*

The Engineers Club.

Watch for more details.

November 3 *USGBC MD's 4th Annual Engineering Green Conference*

Morgan State University Student Center.
