Memorandum

RE: Holiday Sponsorship Opportunity

To All ACEC/MD Member Firms and Affiliate Member Firms:

The American Council of Engineering Companies/Maryland (ACEC/MD) would like to offer its member firms the opportunity to cosponsor the organization's Holiday Party by selecting one of our expanded sponsorship opportunities.

This gala party will provide a tremendous opportunity to get your name in front of our member firm representatives and guests while networking in a relaxed, comfortable atmosphere. The event, held on **Wednesday, December 13, 2023**, at the always famous Baltimore Museum of Industry, from 6:00 – 9:00 PM, will feature an open bar and delicious hors d'oeuvres.

As an **Elite Sponsor** (\$1,000) (only two available at this level, and **exclusively for our Affiliate Member Firms**), your firm would have the opportunity to sponsor the bar at this year's Holiday Party and receive:

- Inclusion of your firm's name on a signboard posted at the event.
- Acknowledgment in the January/February 2024 ACEC/MD newsletter.
- Four complimentary registrations for the event.

As a **Diamond Sponsor** (\$500) of this year's Holiday Party, receive:

- Inclusion of your firm's name on a signboard posted at the event.
- Acknowledgment in the January/February 2024 ACEC/MD newsletter.
- Two complimentary registrations for the event.

As a **Patron Sponsor** (\$250) of this year's Holiday Party, receive:

- Inclusion of your firm's name on a signboard posted at the event.
- Acknowledgment in the January/February 2024 ACEC/MD newsletter.
- One complimentary registration for the event.

To participate in this festive evening as a sponsor, feel free to contact the ACEC/MD office by **November 30, 2023**. Please make your check payable to:

The American Council of Engineering Companies/Maryland,

- \$1,000 for Elite Sponsorship
- \$500 for Diamond Sponsorship
- or \$250 for Patron Sponsorship for your firm, or advise if you prefer to be invoiced.

Thank you very much for considering this request and your continued support of ACEC/MD!
